Emily's Analysis

Los Alamitos Tb Race 4

Post Time 4:34 PM CST

Analysis by Emily Gullikson

A lot of the card looks "chalky" though Race 4 comes alone with the projected pace scenario. Both "favorites" #4 RAIN DIVA and #5 FLAT OUT JOY are likely to show early speed and contested with #3 CHOLLIMA coming off a taxing/HARD effort 11-days ago. That scenario should set up for **#1 DRIZELLA** to get the right trip and has some upside off her recent trips racing WIDE on 5/5 and TROUBLE_S on 5/27 as she has been freshened for this spot and for this meet.
