Emily's Analysis

Fair Grounds Race 3

Post Time 1:45 PM CST

Analysis by Emily Gullikson

#2 ANGELIC KNIGHT fits with current form and on the class drop. They follow an "every other" pattern coming back from the layoff and while some improvement could be projected based on back numbers from the 12/21 figures, that number still fits on the higher side of today's par.

Not sure what's up with the ML here but it seems like #5 ALWAYS PRACTICAL should be the favorite in this race. They have recorded the highest figure but wait there's more the 10/20 race, a winning effort for the level back at KEE and that par was much higher than today.

Turfway Race 5

#5 GETTING AFTER IT earned a follow with the BTL debut back on 11/28 at CD. The race has not been key by definition though has held form with the horses that have run back since. They bring in steady works and intent for this circuit noting a scratch from MSW race on 12/18 though no real concern working a bullet on 12/19, the very next day.
