Emily's Analysis

Fairmount Park Race 3

Post Time 1:56 PM CST

Analysis by Emily Gullikson

#3 SECRET HONOR turned in a competitive race here at FAN on debut in July after rearing up at the start TROUBLE_S and made a WIDE RUSH for position. The start at HAW in his second start was even messier (TROUBLES+) though again showed run making a MOVE and had to deal with KICKBACK in the process. Bahena struggled during the HAW meet and that alone should move this horse up with the track change and also encouraging to see Santiago back aboard and the 37-days since to give this one some much needed added training.

#6 INHERENT POWERS has run well over the turf in the past and visually presents as a TURF runner based on his current form. His current form also stacks up for today's claiming level and his ability to show early speed could hold a pace advantage in today's race shape as well.
