Emily's Analysis

Fair Grounds Race 3

Post Time 1:45 PM CST

Analysis by Emily Gullikson

#3 RELENTLESS DANCER has the tendency to break slow (SLOG) and price compensation is required. With that said, he presents upside in this third start back off the layoff recording BTL on 1/1 and can IMPROVE off the 1/21 outcome with the WIDE trip.

Fair Grounds Race 6

Post Time 3:15 PM CST

Analysis by Emily Gullikson

#2 WHO TOOK THE MONEY remains on the main track, something they were looking for without being entered as an MTO scratching from the C. Bradley stakes last month. The class change today could be takes as a lateral move from the stakes races this season shifting to open company. This one has been kept at the statebred level the last couple seasons, though had held his own for a few starts against open in 2021, their sophomore season.
