Emily's Analysis

Keeneland Race 4

Post Time 1:36 PM CST

Analysis by Emily Gullikson

#8 BERLAINE wheels right back and some subtle changes to allow her to IMPROVE in this spot. Her form heading into the 4/5 race was consistent on the turf though had not been on the main track since her juvenile season. Those two races had her overlooked though were competitive given the outside post in a full field on debut followed up by a TROUBLE trip in November.
