Stakes Spotlight

Woodbine Race 8

Post Time 3:48 PM CST

Analysis by Emily Gullikson

MY DEAR STAKES:

At this point, the group of juvenile fillies all come in lightly raced and many off a singular start and debut win where projections must be made to which can continue to move forward in their career. In this field, #5 OBLIGING holds the lone B+ OptixGRADE to suggest a class edge stepping up front maiden company. With that said, this is still a test stepping up from the MTH race on circuit and stakes company though from the visuals is at the least deserving of the placement and confident move from the connections. The move to the Tapeta should not be any issue based on her physicality.
