### Emily's Analysis

#### Woodbine Race 2

Analysis by Emily Gullikson

This is a competitive race with many making the class drop to compete. The change in class moved up #6 THEFRONTIERSMAN last out recording a B OptixGRADE at today's level and should be competitive right back in here. #2 DUBAWI BULL also shows a B OptixGRADE under similar conditions last season and off a similar pattern when racing into shape.

#5 CONNOR takes a significant drop to race for the MCL tag and upgraded from the productive race on debut and flow upgrade (VF) in a race won from off the pace by double digit lengths.

#### Woodbine Race 7

Post Time 3:17 PM CST

Analysis by Emily Gullikson

This is the most playable race on the card with both ML favorites (#2 PIERRE, #11 SWIFT DELIVERY) showing up WEAK in this spot.

#7 ROSCAR turned in a solid effort with a higher race par in his route debut back on 5/12 to fit on today's par; #1 BAIL US OUT tuned in a sneaky good effort in his debut one that projected him to IMPROVE with the STRETCH out in distance which is just what he did to break his maiden around two-turns at GP earning a figure that fits on par. The form from that February GP event has held up and faced horses that were running as consistently fast as today's group to make this first start against winners, closer to a lateral move.
