Emily's Analysis

Turfway Race 1

Post Time 4:55 PM CST

Analysis by Emily Gullikson

Rivelli has sent out live runners to start the TP meet with five of the six winning (the other show) as the barn sends out #7 CATALOG QUEEN making a belated second start and following a TROUBLE debut back in September at our beautiful Hawthorne. One of the other notables in that local sample has been rider G. Corrales aboard all six runners and is not on this one, perhaps a sign and opportunity to take on a potential underlay.

Corrales instead jumps to #3 SCARY PROPOSITION for Morey finding a change in class for their second start. They did not run at Hawthorne though the 10/30 race had Hawthorne connections with two rivals She Stopped Short and recent maiden winner, Bella Vittoria in that 10/30 race. The trip for SCARY PROPOSITION also can be upgraded breaking SLOG making a SAVED MOVE (and NO_LEAD) in a blanket for minors behind pacesetting winner.

#2 CARMEL ROSE also upgraded from their October debut at PID with some possible intent first out bet down from a 10-1 ML. Their race started TROUBLE_S making contact with the gate and under passive TACTIC- showing run in spots and in race shape with minimal change in running order.

#4 STEEL LINK sits Above on Speed and Plot with #7 INDIGO RICH (and AE #14 TUDDENHAM MILL) an ABOVE+ Plot upgrade and ABOVE for #1 COG as well. Another ABOVE+ on Class to #5 VIGORISH with #8 FORE FLAG also ABOVE on class.

AE #14 I AM THE SAUCE should benefit from the change in class and some subtle trips such as the CD 11/2 start and less subtle trips with the legit TROUBLES+ EX _ EXCUSE back at KEE in October.

#3 EVERMORE also stacked up an EX _ EXCUSE back in April at KEE and could be well spotted to run for the MCL tag on this circuit and off the bench and with upside perhaps we have yet to see their best yet. The "best" has been shown on both #1 DAZZLING CRUISER with the higher figures and BTL effort from #2 YO LEVEN one that figures a subtle change to run for the higher $50k tag today.

#9 PEPPER GIRL turned in a solid B- on debut making a MOVE and strong GALLOP+ following a SLOG. The start was much more compromising 29-days later at KYD with the TROUBLE_S and NO_PUSH creating a subtle excuse and perhaps even something outside those trips given the time off to reset, regroup and with steady works repoint for this meet.
