Emily's Analysis

Turfway Race 6

Post Time 7:25 PM CST

Analysis by Emily Gullikson

#4 SWEET BABY RAY can be upgraded with the class drop for this second start back off the layoff. The 2/8 trip was less than ideal with TROUBLE_S/RUSH before losing ground. Their early speed should be on display here with a potential front end pace advantage.

#8 TERPEYE also with upside in this second start of the cycle - a subtle change in class with a softer par and from the trip making a CLOSE into a Very Slow early and late race shape after a SLOG and minimal push by the rider early not given their best chance all around.
