Kentucky Downs Race 3

Post Time 1:31 PM CST

Analysis by Emily Gullikson

#3 SERENE SERAPH brings upside in this second start of the cycle and from the 8/2 ELP trip making a WIDE RUSH in what appeared from the visuals a PREP and STRETCH - both Projections in play here. On speed, she fits and even class going back to the B+ OptixGRADE in the April KEE allowance win and following the two graded stakes routes finding the changes here. Second off has also been effective this meet for B. Mott with all three winners in that pattern.
