#6 DREAMS AND SCHEMES brings in buried form with the B- OptixGRADES at this level and competitive races/figures on par looking over the series of innercourse turf races from last year. This will not only be their first start on the course this season but second off the grass the 7/17 race B- OptixGRADE making a WIDE MOVE while in against open company shifting to F&M today - and notable in this spot noting they scratched from a similar condition against open company on 10/2 seemingly waiting for this spot.

#7 ANITA MARGARITA also holding value returning from the B- effort under similar conditions on 8/21. Today's race shape is a bit murky looking at Surface/Distance their Q1 Square position could present a pace advantage.
