**ENTRIES:** Telephone entries are made at the owner's and/or trainer's risk. Responsibility of lost or misplaced entries will be placed solely on the person making said entry via telephone.

Entries will close at 11:00 a.m. - No Exceptions. The drawing of the races will be at 11:30 a.m. With any and all disputes, the Stewards shall make the final decision. No entries will be accepted without documented proof of a negative Coggins test and current EHV-1 Vaccination.

All Jockey Agents making entries must do so before 10:00 a.m.!

The preference date system will be utilized at Hawthorne. Refer to the back of conditions book for rules.

Closing Time on all Overnight Stakes &  
Handicaps is 4:00 P.M. on the date they close.

ILLINOIS HORSES ENTERED IN OPEN CLAIMING RACES  
MUST DECLARE THEIR CLAIMING PRICE (Either Base  
Claim or Illinois 50%) AT THE TIME OF ENTRY.

In turf races limited to ten starters, as many as four eligibles will also be carded. In turf and dirt races limited to twelve starters, as many as two eligibles will also be carded. If there are any scratches the morning of the race, the also eligible horses will be permitted to move into the race in order of their preference, which will be determined at the drawing of entries. (Example) Post Position #11 has first preference and Post #12 second preference, etc.

If a scheduled turf race is taken off the turf, the also-eligible horses will automatically move into the body of the race (maximum of 12 starters). Races scheduled to go 7 1/2 on the turf will be limited to 10 starters with an also-eligible list of 4 MAIN TRACK ONLY ENTRIES: At the discretion of management, based on weather forecasts, entries will be accepted in turf races (excluding stakes) including Overnight Stakes and Overnight Handicaps for Dirt Preferred horses (Main Track Only). Trainers must declare the horse is Dirt Preferred at time of entry. A Dirt Preferred entry has no preference to draw into a Turf Race as a starter over a Turf entry and will be carded as an also eligible at all times even if the race does not overflow. For Program information the Dirt Preferred horses will be listed as MTO (Main Track Only). At the discretion of management, based on weather forecasts, in over-filled Turf Races the also-eligible list shall be composed of first, Dirt Preferred entries and then Turf entries. If the race is removed from the turf, Dirt Preferred also-eligibles will have first preference (By their Date). If a race remains on the Turf, Dirt Preferred horses, regardless if the race is overflowed or not will not be eligible to start.

**CLAIMING:** Only claiming cards using the HISA template will be valid. All claims must be deposited in the claim box located in the paddock at least 10 minutes before post time or in the time fixed for the race to begin and not later. No official of the Association shall give any information as to the filling of claims therein until the race has been run. When a claim is filed, it is irrevocable and at the risk of the claimant. Determination of the true age and sex of a claimed horse shall be the sole responsibility of the claimant. It is the Trainer's responsibility to turn in the foal papers for any horse claimed and the papers are not in the office within 48 hours of the claim. The Horsemen's Bookkeeper will have a hold on all claimed money until the papers are turned into the Racing Office.

#### **CLAIMING RULES**

- a) For a period of 30 days after the claim of a thoroughbred horse, the horse may race for the same claiming price or higher than the price at which it was claimed. The horse is eligible to run back for a lesser price on the 31st day after the claim.
- b) Starter Handicap or Starter Allowance races are not subject to subsection.
- c) A horse claimed out of a claiming race is not eligible to race in any other state other than Illinois for a period of 45 days from the date of the claim, or until a date following which the racing season has concluded. This section shall not apply when claimed horses are fulfilling a stakes engagement or have the express written consent of the race track where they were claimed, to race at another location. No horse claimed in a claiming race shall be sold or transferred wholly or in part to anyone within 30 days after the day it was claimed, except in another claiming race.

#### **TRANSFER OF CLAIMED HORSE RECORDS (HISA Rule 2261)**

- (a) Entry of Horses subject to being claimed in a Claiming Race implies Owner (Trainer as the agent of the Owner) consent for transfer of all Trainer and veterinary examination and treatment records for the last 60 days to the new Trainer of the claimed Horse.
- (b) If a Horse is successfully claimed by a new Trainer, the previous Trainer must transfer Trainer records and authorize transfer of veterinary records to the new Trainer within 3 days of transfer of the Horse to the new Trainer.

#### **VOID CLAIMING RULE (HISA Rule 2262)**

Claims are voided if the Horse dies, is euthanized, Bled, is vanned off the Racetrack, or is later found to test positive for a prohibited substance. Additionally, all claimed horses go to the test barn for observation by a Regulatory Veterinarian. If a Regulatory Veterinarian determines within 1 hour of the race that the Horse will be placed on the Veterinarians' List as Bled, physically distressed, medically compromised, unsound, or lame before the Horse is released to the successful claimant, the claim is void.

Claims will not be voided if the Claimants elect to claim the Horse regardless of whenever the Regulatory Veterinarian determines the Horse will be placed on the Veterinarians' list as Bled or unsound or the Horse tests positive for a Prohibited Substance.

#### **NEW HISA RULE 2262(g) and (h): CLAIMS VOIDED FOR MEDICATION**

**FINDINGS:** In the case of a post-race positive medication test in a horse that was claimed, the claimant will be notified of their option to void the claim. Claimants have 48 hours to provide written notice to the Stewards at the track where the horse was claimed that they wish to void the claim.

Claimants who claim a horse may complete and submit the "Void Claim Test Result Inquiry Form" located on HISA's website to determine the status of the testing results of any post-claiming race sample collection.

If the claimant chooses to void the claim, they will be entitled to return of the claim money, as well as documented and reasonable expenses related to the care and training of the horse since the date of the claim.

However a claim will NOT BE VOIDED IF any of the following have occurred subsequent to the claim:

- The horse has started in a subsequent race.
- The claimant failed to exercise due care with or made material alterations to the claimed horse; or
- The claimed horse has died or is euthanized.

**HISA WAIVER CLAIMING OPTION RULE 2263:**

At the time of entry into a claiming race, the owner, or the trainer acting under authorization from the owner, may opt to declare a horse ineligible to be claimed provided that:

- a) The horse has not been an official starter in a race at any racetrack for a minimum of 120 days since it's last race as an official starter.
- b) The horse's last race as an official starter was a claiming race in which the horse was eligible to be claimed.
- c) The horse is entered for a claiming price equal to or greater than the claiming price at which it last started as an official starter;
- d) failure to declare the horse ineligible may not be remedied.

A horse is eligible to run for a waiver claiming for a second consecutive race provided the waiver was declared for the first race back and the horse is entered for a claiming price equal or greater than the price for which it last started. The Horse is ineligible for the second waiver if it wins the first race back or it changes majority ownership after its first race back.

A horse who is running for the waiver claiming and wins will have the win considered a Starter Allowance Win for future conditions.

**CHANGE OF EQUIPMENT:** The following procedure will be strictly adhered to: When blinkers are removed or added under the "Change of Equipment" caption, and said horse is a late scratch, the blinker change is negated. Consequently, the change of equipment must be designated again at time of entry for blinker privileges to be reinstated. Any change of equipment must be approved by the stewards. You must have a Change of Equipment card signed by the starter, which must be submitted at time of entry with the change so designated on the entry blank or with approval of the Stewards the change may be made before the official program goes "final". If using any type of blinkers, the cup must measure a minimum of one inch.

**PADDOCK:** All non-racing bandages must be removed upon entering the paddock. All horses must be in the paddock no later than 15 minutes to post.

**TURF COURSE:** If it is deemed inadvisable by the Management or its officers to run a scheduled Turf Race on the Turf Course, it will be transferred and run on the main track, distance as follows:

TURF - one mile, will be one mile and seventy yards.

One mile and one half will be one mile and one quarter.

## PREFERENCE DATE SYSTEM

**NO HORSE WILL RECEIVE A DATE WITHOUT A CURRENT NEGATIVE COGGINS TEST ATTACHED TO THE FOAL PAPERS. FOAL PAPERS WILL NOT BE ACCEPTED WITHOUT A NEGATIVE COGGINS TEST ATTACHED. NO ENTRY WILL BE ACCEPTED ON A HORSE WITHOUT AN UP-TO-DATE EHV VACCINE ON FILE IN THE RACING OFFICE.**

1. Under the Preference Date System, a horse will receive both an Entry Date Dirt (Example 1D) and an Entry Date Turf (Example 1T). Subsequently, a Running Date (Example R1D or R1T), or a Scratch Date (Example S1D or S1T). Preference will be given to the horses with the earliest dates. When a horse with an Entry Date has the same date as a horse with a Running Date, the horse with the Entry Date has preference. When a horse with a Running Date has the same date as a horse with a Scratch Date, the horse with the Running Date has Preference.
2. Horsemen can establish an Entry Date for their horses by registering their foal papers, along with a valid negative Coggins Test and proof of current EHV vaccination attached, with the Racing Office. In which case the horse will receive an E-Date corresponding to the date they are turned in. The earliest date being (0). If foal papers are received before 2:00 p.m., Monday, March 18, 2024, the horse will receive a (0) date. Foal papers received after that time, or on March 19 – March 23, 2024 will receive a (1) Date. If foal papers are registered on a non-racing day, the next racing date will be given.
3. A Running Date is established when a horse draws into a race in which case the horse will receive a date corresponding to the day the race is scheduled to run.
4. Horses that are scratched out of the body of a race will receive a Scratch Date for the day they were scheduled to run.
5. **A horse that runs in a race taken off the turf will retain it's Turf Date and establish a R-Date (Dirt). A scratched horse will receive a S-Date for both Turf and Dirt.**
6. Any Horse scratched from the also eligible list will retain it's previous date, unless scratched due to ineligibility.
7. A Horse can have only one date preference for each category (Dirt/Turf).
8. Horses that have established a date at the current meeting will lose their date should their foal papers be withdrawn or if they run at another racetrack.
9. In no way does a claim, transfer of owner or trainer affect the preference date of a horse.
10. Preference must be claimed at time of entry.
11. In all winners races winners are preferred.
12. Preference Dates do not supersede the conditions of a race.
