ILLINOIS HORSES ENTERED IN OPEN CLAIMING RACES MUST DECLARE THEIR CLAIMING PRICE (Either BASE CLAIM OR ILLINOIS RAISE) AT THE TIME OF ENTRY.

REGISTRATION OF HORSES: After horses have been registered with the racing secretary's office listing their ownership, no horse will be transferred (unless claimed at the meet racing at the time.) without permission of the Stewards who may require a notarized Bill of Sale.

TATTOOING:

All horses must be tattooed to start. The cost of tattooing a horse is \$115 which must be paid to the Horsemen's Bookkeeper prior to the horse being tattooed. Lip Tattooing has been replaced with Digital Tattoo (Picture Horse ID) which is accessible through scanning of the Jockey Club issued Microchip that has been implanted in the horses' neck by the breeder. The process will be as follows:

- All foals must be microchipped before the Jockey Club will register the horse.
- Like the current system the TRPB Identifier will come to your barn; then scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to your horse being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.
- The TRPB Identification fee will be \$115 to be paid to the Horsemen's Bookkeeper.
- PLEASE NOTE: Absolutely no microchipping can be completed the day of the race.
- Questions call Ken Winebaugh 815-715-2693.

COGGINS TEST/EHV VACCINATIONS: No horse will receive a date without a current negative Coggins test on file in the Racing Office. All horses racing in Illinois must have a negative Coggins test within the past twelve months and proof of EHV vaccination, current not closer than 14 days or longer than 180 Days.

CONDITION ELIGIBILITY PREFERENCE:

(a) MAIDEN RACES: Preference to horses that have not started for less than \$20,000. The same preference will be given to horses that have started for less than \$20,000 and since have finished 2nd, 3rd or 4th for \$20,000 or more.

(b) ALLOWANCE RACES: Condition Eligibility consists of a preference to horses that are eligible for each specific condition (Example: a 2XMC is 1st preference, next 1XMC, etc.) Winners who have raced for a Claiming Price of less than

\$13,500 will not have preference, unless they have thereafter finished first, second, third or fourth for \$13,500 or more.

(c) OPTIONAL ALLOWANCE/CLAIMING RACES: Horses that are eligible for each specific condition (Example: 4XMC is first preference, next 3XMC) are preferred. The same preference will be given to horses that are entered for the optional claiming price and share the same lifetime condition or have won that condition and have not started for a claiming price of less than \$13,500 unless thereafter finishing first, second, third or fourth for \$13,500 or more.

WEIGHTS: Winners or non-winners of a stated sum means winner or non-winners of a single race of that value to the winning horse. Allowance claimed at the time of entry may not be waived after publication of the overnight, except with permission of the Stewards. Penalties are obligatory. Allowances are option as to all or any part thereof and must be claimed at the time of entry. Horses penalized in a race shall not be entitled to any of the allowances in such race. Horses not entitled to the first allowance are not entitled to the second or any subsequent allowance specified in the conditions of the race. Under the universal rules of racing an owner or trainer is responsible for the weight his horse carries

NAMING OF JOCKEYS: Each horse drawn into a race shall have its jockey named at time of entry and prior to the publication of the overnight. If a jockey is named on two horses (one of the also eligible list) the agent shall designate first and second call at time of entry with a back up rider named behind the second call. An apprentice allowance may only be claimed before entries have closed and only if the apprentice has been engaged. Should a jockey remain unnamed at the drawing of entries, the racing office shall make a reasonable effort to contact the trainer. If this attempt fails, the stewards or designee will name a jockey. Only the trainer of the horse or the person who has made the entry of said horse shall have permission to change or name a rider at the draw. No jockey once named shall be changed except for good cause by the Stewards. Any such change may be subject to penalty.

TURF RACE ENTRIES: In turf races limited to ten starters as many as four also eligible will also be carded to turf and dirt races limited to twelve, as many as two also eligible will also be carded. If there are any scratches, the morning of the race, the also eligible horses will be permitted to move into the race in order of their preference, which will be determined at the drawing of entries. (Example) Post Position #11 has first preference and Post #12 second preference, etc. At the

discretion of management, based on weather forecasts, entries will be accepted in turf races (excluding Stakes) including Overnight Stakes and Overnight Handicaps for Dirt Preferred horses (Main Track only). Trainers must declare the horse is Dirt Preferred at time of entry. If a scheduled turf race is taken off the turf, the also-eligible list of MAIN TRACK ONLY ENTRIES will move into the body of the race up to 12 (twelve) horses. A Dirt Preferred entry has no preference to draw into a Turf Race as a starter over a Turf entry and will be carded as an also eligible at all times even if the race does not overfill. For Program information the Dirt Preferred horses will be listed as MTO (Main Track Only). At the discretion of management, based on weather forecasts, in over-filled Turf Races the also-eligible list shall be composed of first, Dirt Preferred entries and then Turf entries. Traction devices include but are not limited to rims, toe grabs, bends, jar calks and stickers.

CHANGE OF EQUIPMENT: When blinkers are removed or added under the ‘Change of Equipment’ caption, and said horse is a late scratch, the blinker change is negated. Consequently, the change of equipment must be designated again at time of entry for blinker privileges to be reinstated. Any change of equipment must be approved by the Stewards. You must have a Change of Equipment card signed by the Starter, which must be submitted at time of entry with the change so designated on the entry blank or with approval of the Stewards the change may be made before the official program goes ‘final’. Trainers are responsible for obtaining your Security Signs from the Stable Security Office.

SCRATCHES: (Illinois Racing Board Section 1413.140 Right to Declare out).

- a) In purse races and overnight handicaps with more than nine (9) interests, trainers shall have the right to declare out to that number before the time stipulated by the regulations of the

operator on the day of the races. When more than one trainer expressed the desire to declare out, the right to declare out shall be determined by lot. Declarations below nine may only be made by permission of the Stewards when a note from a veterinarian establishes a medical reason to excuse the horse from the race or when there is a request from the Racing Secretary to fill a different race. Any also eligible shall have the preference to scratch over regularly carded horses. Trainer declarations will only be considered following the time at which the removal of horses from a race has been received by the Stewards from veterinary related scratches.

No official of the Association shall give any information as to the filing of claims therein until the race has been run. When a claim is filed, it is irrevocable and at the risk of the claimant. Determination of the true age and sex of a claimed horse shall be the sole responsibility of the claimant. It is the Trainer's responsibility to turn in the foal papers for any horse claimed and must be turned in to the office within 48 hours of the claim. The Horsemen's Bookkeeper will have a hold on all claimed money until the papers are turned into the Racing Office.

CLAIMING RULES:

A) For a period of 30 days after the claim of a thoroughbred horse, the horse may race for the same claiming price or higher

than the price at which it was claimed. The horse is eligible to run back for a lesser price on the 31st day after the claim.

b) Starter Handicap or Starter Allowance races are not subject to subsection (a).

c) A horse claimed out of a claiming race is not eligible to race in any other state other than Illinois for a period of 45 days from the date of the claim, or until a date following which the racing season has concluded. This section shall not apply when claimed horses are fulfilling a Stakes engagement or have the express written consent of the race track where they were claimed to race at another location. No horse claimed in a claiming race shall be sold or transferred wholly or in part to anyone within 30 days after the day it was claimed, except in another claiming race.

TRANSFER OF CLAIMED HORSE RECORDS (HISA Rule 2261)

(b) If a Horse is successfully claimed by a new Trainer, the previous Trainer must transfer Trainer records and authorize transfer of veterinary records to the new Trainer within 3 days of transfer of the Horse to the new Trainer.

VOID CLAIMING RULE (HISA Rule 2262)

Claims are voided if the Horse dies, is euthanized, bled, is vanned off the racetrack, or is later found to test positive for a prohibited substance. Additionally, all claimed horses go to the test barn for observation by a Regulatory Veterinarian. If a Regulatory Veterinarian determines within 1 hour of the race that the horse will be placed on the Veterinarians' List as bled, physically distressed, medically compromised, unsound, or lame before the Horse is released to the successful claimant, the claim is void. Claims will not be voided if the Claimants elect to claim the horse regardless of whenever the Regulatory Veterinarian determines the horse will be placed on the Veterinarians' list as bled or unsound or the Horse tests positive for prohibited substance.

HISA RULE 2262 (g) and (h): CLAIMS VOIDED FOR

MEDICATION FINDINGS: In the case of a post-race medication test in a horse that was claimed, the claimant will be notified of their option to void the claim. Claimants have 48 hours to provide written notice to the Stewards at the track where the horse was claimed that they wish to void the claim.

Claimants who claim a horse may complete and submit the "Void Claim Test Result Inquiry Form" located on HISA's

website to determine the status of the testing results of any post-claiming race sample collection.

If the claimant chooses to void the claim, they will be entitled to return of the claim money, as well as documented and reasonable expenses related to the care and training of the horse since the date of the claim.

However, a claim will not be voided if any of the following have occurred after the claim:

- The horse has started in a subsequent race.
- The claimant failed to exercise due care with or made material alterations to the claimed horse; or
- The claimed horse has died or is euthanized.

HISA WAIVER CLAIMING OPTION RULE 2263:

At the time of entry into a claiming race, the owner, or the trainer acting under authorization from the owner, may opt to declare a horse ineligible to be claimed provided that:

a) The horse has not been an official starter in a race at any racetrack for a minimum of 120 days since it's last race as an official starter.

b) The horse's last race as an official starter was a claiming race in which the horse was eligible to be claimed.

c) The horse is entered for a claiming price equal to or greater than the claiming price at which it last started;

d) failure to declare the horse ineligible may not be remedied.

e) A horse is eligible to run for a waiver claiming for a second consecutive race provided the waiver was declared for the first race back and the horse is entered for a claiming price equal to or greater than the price for which it last started. The horse is ineligible for the second waiver if it wins the first race back or it changes majority ownership after its first race back. A horse who is running for the waiver claiming and wins will have the win considered a Starter Allowance win for future conditions.

PREFERENCE DATE SYSTEM

NO ENTRY WILL BE ACCEPTED ON A HORSE WITHOUT AN UP-TO-DATE EHV VACCINATION AND NEGATIVE COGGINS ON FILE IN THE RACING OFFICE.

1. Under the Preference Date System, a horse will receive both an Entry Date Dirt (Example 1D) and an Entry Date Turf (Example 1T). Subsequently a running Date (R1D or R1T) or a Scratch Date (Example S1D or S1T). Preference will be given to the horses with the earliest dates. When a horse with an Entry Date has the same date as a horse with a Running Date, the horse with the Entry Date has preference. When a horse with a Running Date has the same date as a horse with a Scratch date, the horse with the Running Date has Preference.
2. Horsemen can establish an Entry Date for their horses by registering their foal papers, along with a valid negative Coggins Test and proof of current EHV vaccination to the Racing Office. In which case the horse will receive an E-Date corresponding to the date they are turned in The earliest date being (0). If foal papers are received before 2:00 p.m., Tuesday, March 27, 2026, the horse will receive a (0) date. Foal papers received after that time, or on Sunday, March 29 will receive a (1) Date. If foal papers are registered on a non-racing day, the next racing date will be given.
3. A running Date is established when a horse draws into a race in which case the horse will receive a date corresponding to the day the race is scheduled to run.
4. Horses that are scratched out of the body of a race will receive a Scratch Date for the day they were scheduled to run.
5. A horse that runs in a race taken off the turf will retain its Turf Date and establish a R-Date (Dirt). A scratched horse will receive a S-Date for both Turf and Dirt.
6. Any Horse scratched from the also eligible list will retain its previous date unless scratched due to ineligibility.
7. A horse can have only one date preference for each category (Dirt/Turf).
8. Horses that have established a date at the current meeting will lose their date should their foal papers be withdrawn or if they run at another racetrack.
9. In no way does a claim, transfer of owner or trainer affect the preference date of a horse.
10. Preference must be claimed at the time of entry.
11. In all winners' races winners are preferred.
12. Preference Dates do not supersede the conditions of a race.
